Terms and Conditions

- All entries must currently be or have been commercially available to the public at least once during the current calendar year (beginning on January 1st, 2019) (Included to allow seasonal one-offs and tap room-only releases)
- All entry forms and products must be sent by prepaid post and be received by the closing date listed. (beer allegedly can't be shipped in state, may need to remove this, will double check and confirm)
- Entries are only accepted and judged once registration has been successfully completed.
- The judges' decision on all matters is final.
- The Organizers may, at their discretion, refuse to accept an entry.
- The Organizers may alter the closing date for the awards, place an entry in the most appropriate style, rule that an entry may not compete or is ineligible to compete, or alter the date, time or place on or at which the awards are scheduled to take place.
- The Judges have the power to disqualify any entry not deemed as meeting the entry criteria.
- Please note: unused entries will not be returned. Our policy on unreturned entries is as follows: Unopened or unused entries may be distributed to individual charities on a case by basis or presented for auction, all proceeds going to student scholarships.
